The poster features a central illustration of a yellow and black semi-truck with a large black plume of smoke coming from its exhaust stack. The truck is set against a circular background with a blue border and white stars. The entire poster has a black background with a white diamond-plate texture. At the top left is the WDRA logo, and at the top right is the website address. The event dates are prominently displayed in red and white. The bottom section contains the event title 'TRUCK NATIONALS' in large, bold letters, with a red maple leaf icon above the 'N' in 'NATIONALS'. Below this is the tagline 'IN SUPPORT OF Trucking FOR A CURE'. The bottom of the poster is a solid red band with contact information in white text.

H&H Diesel Race Team's goals for this upcoming year include the following:

- Obtain a trailer to haul the race truck (rough cost \$12,000-\$20,000)
- Upgrade the International race truck and have it painted (rough cost estimated to be \$60,000)
- Attend all U.S. events (event ticket cost for all races roughly \$800.00 plus travel cost of 1,000)

Goals for upcoming years:

- Race in Canadian circuit (there is a fee to be in the circuit, then additional fees per race)
- Have a trailer full of extra parts for quick repair if we break down
- Spare set of tires for races (estimated cost \$4500)

We are looking for a main sponsor to help us go further and advertise more!

The more help we receive, the more we can advertise and sell more of your products! Thank you for considering sponsoring H&H Diesel Race Team!
